SUMMARY

Python Full Stack Developer with hands-on project experience building end-to-end web applications using Django, MySQL, and modern front-end tools. Comfortable across the stack, from database design and REST/WebSocket backends to responsive UI with HTML, CSS, JavaScript, and Bootstrap. Practical exposure to AI-assisted development and prompt engineering for accelerating coding, debugging, and documentation workflows. Strong problem-solving ability, quick learner, and effective communicator, looking to contribute to a product-focused development team.

SKILLS

- **Languages & Frameworks:** Python, Django, JavaScript, HTML, HTML5, CSS, CSS3
- **Full Stack Tools:** Django Channels, WebSockets, REST API, REST APIs, Bootstrap, MySQL, SQL, Git, GitHub, Version Control
- **AI & Prompt Engineering:** Prompt design for coding assistance and debugging, Generative AI concepts, ChatGPT-assisted development workflows
- **Other Technical:** SQL, Power BI, Data Analysis, Data Visualization, Database Management, Microsoft Office 365
- **Practices & Soft Skills:** Problem Solving, Debugging, Project Management, Team Collaboration, Communication, Attention to Detail

PROJECTS

CampusRide - Campus Ride-Sharing Platform

Secure ride-sharing web app for verified students/faculty, built with Django, MySQL, Django Channels, Bootstrap, and Google Maps/OpenStreetMap. Features live GPS tracking with real-time WebSocket location sync between driver and rider, QR-code boarding verification, in-app chat, SOS alerts, and role-based access for Admin, Driver, and Student.

Garage Guide - Vehicle Service Booking Platform

Django + MySQL web application connecting vehicle owners with certified mechanics for service booking, maintenance scheduling, and digital payments, with separate Admin, Worker, and User roles.

Personal Developer Portfolio

Self-built portfolio website using HTML, CSS, and JavaScript to showcase projects, resume, and background.

EDUCATION

- **Bachelor of Computer Applications (BCA)** - Leaders College | 2023 (ongoing)
- **Python Full Stack Development Course** - SMEC Technology
- **Diploma in Office Administration** - Leaders College | 2025

CERTIFICATIONS

- **Introduction to Generative AI Concepts** | Microsoft
- **AI for Business Professionals** | HP
- **AI Tools and ChatGPT Workshop** | BE10X
- **Data Analytics using Power BI Workshop** | Tech Tip
- **SOAR – AI to Acquire** | NCVE
